You could win a prize for visiting all 5 of the TN shops, all 12 of the KY shops, all 21 of the OH shops or all 19 of the MI shops. OR you could win a prize for visiting all of the shops in KY AND TN...or the 4 x 4 Award for visiting 4 shops in each of the 4 states...or visiting all of the Farms...or visiting 5, 10, 20 or 25 shops. I-75 Yarn Crawl

Trunk Shows are Coming...

From July 31—August 19 we will have a trunk show here at the shop featuring Berroco Modern Cotton and Modern Cotton DK yarns. There will be lots of models to see and new colors as well. Don't let the word "cotton" in the name make you think it's only a summer yarn. With our mild seasons, it's an all-weather yarn for us here in East TN...especially with it being a cotton/rayon blend. Come check it out!

Also, we'll be having a Trunk Show for Berroco Remix Light on August 28—September 16...and a Trunk show for Berroco Millefiori, Ginkgo & Nebula on September 18—October 7.

AND a Trunk Show for DanDoh Designs on September 5-23. Be sure to stop in and see all the lovely models you could make out of these new yarns to our shop!

Fiber Friends...

We continue in August & September to make breast prosthesis for breast cancer patients. There are both a knitted and crocheted pattern on the charity project page of our website. Please use the softest, non-wool, machine-washable DK yarn that you can afford. We need ALL sizes (A, B, C, D & DD). Make one or a pair and help us support the women in our community who have dealt with breast cancer.

Blocking and Felting?

Many times we have heard folks say that they can't felt their project because they have a front-loading washer. Or they know their garment should be blocked, but they are scared to do it. Blocking will smooth out any wrinkles, stretch garment out to the correct size, relax the stitches so they are all more uniform and make the garment look and fit better. We can provide these services for you. Just bring your projects to us for felting or blocking. Cost is \$10 per item. (If there are several items for the same project that need blocking, cost will be a total of \$15.)

Weekly Classes...

We have Weekly Classes mornings, afternoons, and on the evenings we are open. Mimi's classes are for knitters & Kelora's classes are for knitters OR crocheters. If you need help with a project or just want to start a new project with someone giving you help each step along the way, then come join one of our Weekly Classes. **Classes are \$12.50/class, but if you sign up for a block of classes before the month begins, you get a discounted price of \$10.00/class.** Be sure to call the shop to make sure we have room in the class for you to join us.

Continental Knitting - 2 hours (Cost: \$25) Instructor: Kelora Goethe

Thursday, September 21 (10 am—noon)

Have you ever watched a continental knitter and pondered what it would be like to knit with such a smooth motion? Never letting go of your needle? Using much less motion in your arm and shoulder? Maybe it's time to add continental knitting to your knitting toolbox! In this class you will learn to tension your yarn in your left hand for knitting and purling. This method will make knitting & unknitting smoother and easier to discern errors, and therefore correct those errors. Supplies: worsted or DK weight yarn & needles to match.
